Notice is hereby given that the Local Agency Formation Commission (LAFCo) of Plumas County will hold public hearing to consider the following item:

Sphere of Influence Amendment for the Eastern Plumas Hospital District and Annexation of a large portion of territory within Sierra Valley Hospital District to Eastern Plumas Hospital District and Concurrent Dissolution of Sierra Valley Hospital District.

This proposal is for the Eastern Plumas Hospital District to annex 302,591 acres of territory that lies within the Sierra Valley Hospital District and concurrent dissolution of Sierra Valley Hospital District. Plumas LAFCo has been given exclusive jurisdiction with respect to this reorganization. The proposal has been jointly initiated and filed with the Plumas Local Agency Formation Commission by the Eastern Plumas Hospital District and the Sierra Valley Hospital District. The proposal, if approved, would result in the Eastern Plumas Hospital District administering services currently provided by the Eastern Plumas Hospital District in that part of Sierra County located east of the Sierras.

The Commission will consider oral and written testimony by any interested person or affected agency as well as the report of the Executive Officer. At the hearing, the Commission may approve or disapprove a proposal with or without amendment, wholly, partially, or conditionally, may include or exclude territory in a change of organization or may continue its consideration with or without amendment, as a whole, in part, or upon such conditions as the Commission may determine. The extension or continuation of any previously authorized charge, fee, assessment, or tax by a local agency or a successor local agency may be applied in the affected territory. The Commission intends to conduct a protest proceeding if the Commission approves the annexation and intends to exempt the proposed Sphere of Influence and Annexation from CEQA. This notice complies with Section 15182 of the CEQA Guidelines.

Persons may attend and be heard at the time and place of the hearing. If you challenge the action of the Commission on any of the above stated items in court, it may be limited to only those issues raised at the public hearing described in this notice, or in written correspondence delivered to the Plumas Local Agency Formation Commission at, or prior to, the public hearing.

The Executive Officer's report will be available for review at the Plumas County Planning Department located at 555 Main St. Quincy, California, and as practicable, the LAFCO website www.plumaslafco.org five (5) days prior to the hearing.
